

# Associate

PharmaVentures is a transactional advisory business whose main clients are healthcare life science companies from around the world. We are recognised experts in M&A, Licensing, Fundraising for the pharmaceutical, biotechnology, medtech and diagnostics.

PharmaVentures has built a strong international client base and we are seeking an individual who can support our efforts with these global clients.

The successful candidate will have the opportunity to develop commercial and business skills in a highly successful global healthcare advisory firm. Experience in the pharmaceutical and biotech sector are essential.

This is a great opportunity for those wishing to enter the world of investment banking.

## Experience:

- Ideally at least 5 years analytical/business/transactional experience in a biopharma company, consulting, investment banking or corporate advisory firm

## Qualifications:

- Life Sciences Primary Degree or higher
- Ideally Business or Accounting Qualifications

**Salary Package:** Competitive, with bonus, pension, life assurance and private health care

## Responsibilities:

- Supporting the execution of projects and mandates with the assigned Project Director
- Deliver high-quality market-based research and financial analysis in a timely manner.
- Attend client and target meetings and report where appropriate
- Generate client reports and presentations
- Manage the assigned Project Administrator who is responsible for client and target contact, accurate minuting and monitoring of meetings, agendas, and actions.
- Ensure compliance with all project processes and procedures
- Maintain and manage external experts
- Contribute to the promotion and development of all aspects of PharmaVentures' business, for example through co-authorship of articles in industry journals and general networking
- Manage 1-2 direct reports
